

List of app ideas

I want an app that:

1. Turns your text into colorful notes
2. Schedule meetings with your teachers
3. That finds internships, jobs and community service opportunities for teenagers
4. Turns your phone into a police siren
5. Randomly assigns new songs to you everyday
6. That plans out your day
7. That chooses your wardrobe. With reinventing the feature.
8. That turn Corning designs into realistic clothing
9. Turns music into colorful moving abstract art.
10. That helps you make a decision.
11. That closes unnecessary tabs
